Subject: Official Joining Confirmation Letter – Business Development Executive | Avrup Technologies

Dear **Mr Kunal Kumar Bhagwat Singh Rajawat,**

We are honoured to welcome you to [Avrup Technologies](#) and look forward to moving ahead with the valuable contribution, commitment, skills, and professionalism you will bring to our team in the role of:

Business Development Executive

Employee ID: EMP-BDE2601

[Avrup Technologies](#) is a growing Software Development & IT Services Company focused on delivering modern digital solutions, web development, branding, AI-powered technologies, and innovative business systems for businesses, startups, and emerging brands.

As the **Business Development Executive**, you will be responsible for supporting the organization's business development and client acquisition initiatives. Your responsibilities will include handling assigned leads, communicating with prospective clients, understanding their business requirements, presenting relevant services and solutions, conducting client discussions and negotiations, managing follow-ups, supporting opportunities throughout the sales process, and coordinating and supervising the team members assigned to you. You will also coordinate with the internal team regarding proposals, client requirements, and project initiation.

During the initial three-month probation period, you will be expected to achieve a minimum benchmark of at least twenty successful client deals. Your performance will be evaluated on the basis of lead generation, communication, client handling, conversions, follow-ups, consistency, and overall business contribution. The position will follow a working structure of 4 Hours/Day · 6 Days/Week · Remote / Hybrid, with working hours to be mutually discussed based on availability. Upon successful completion of the probation period and achievement of the prescribed performance benchmark, the regular compensation structure will be mutually discussed and finalised before the commencement of the fourth month. Additional performance-based incentives may apply.

As an early-stage and growth-oriented organization, [Avrup Technologies](#) follows a collaborative model focused on long-term development and shared success. We are committed to providing opportunities for flexible work, client exposure, professional growth, and long-term professional development. As such, we expect you to perform your responsibilities with professionalism, accountability, consistency, and a strong commitment towards the organization's objectives.

As a member of [Avrup Technologies](#), you are expected to maintain the confidentiality of all company, client, and project-related information and to uphold the professional values and standards of the organization at all times.

Official Joining Date: 8th October 2026

Warm Regards,

Purva Sukhwal
Founder & Chief Executive Officer (CEO)
