

Terms & Conditions Agreement

1. Appointment: The individual is associated with [Avrup Technologies](#) as an employee and is expected to perform the assigned responsibilities professionally, responsibly, and in accordance with the organization's objectives, policies, and standards.

2. Roles & Responsibilities: The employee shall:

- Perform assigned duties and responsibilities professionally and responsibly.
- Complete assigned tasks within the required timelines.
- Maintain effective communication with team members and management.
- Cooperate with colleagues and contribute towards organizational objectives.
- Follow reasonable instructions, processes, and guidelines communicated by the management.

3. Professional Conduct: The employee agrees to:

- Maintain respectful and professional behaviour at all times.
- Follow ethical standards while representing the organization.
- Maintain professionalism in communication with clients, colleagues, and management.
- Avoid any conduct that may negatively affect the reputation or interests of the organization.
- Refrain from harassment, discrimination, misconduct, or inappropriate behaviour.

4. Confidentiality: All business-related information, including client information, project details, internal discussions, strategies, documents, credentials, pricing, and other confidential information, shall be kept strictly confidential. The employee shall not disclose, share, copy, misuse, or transfer confidential company or client information to any third party without prior authorization from management.

5. Intellectual Property: Any work, content, designs, documents, software, or materials created during the period of association for [Avrup Technologies](#) shall remain the intellectual property of the company unless otherwise agreed in writing.

6. Use of Company Name & Brand: The employee may represent [Avrup Technologies](#) only in an authorized and professional manner. Unauthorized use or misuse of the company's name, logo, branding, digital assets, communication channels, or other company property may result in appropriate action.

7. Company Assets & Information: Company-provided accounts, credentials, documents, tools, software, devices, files, and other resources shall be used responsibly and only for authorized purposes. The employee shall take reasonable care to protect company assets and shall not share access credentials or company resources with unauthorized individuals.

8. Communication & Participation: Employees are expected to:

- Attend assigned meetings, discussions, training sessions, or other official activities whenever required & provide timely updates regarding assigned responsibilities.
- Remain reasonably available through the designated official communication channels during agreed working hours. They should inform management in advance regarding planned unavailability whenever possible.

9. Conflict of Interest: The employee shall inform management of any professional, business, or other engagement that may create an actual or potential conflict with the interests, clients, projects, or objectives of [Avrup Technologies](#).

10. Termination & Amendments: [Avrup Technologies](#) reserves the right to terminate the association immediately in cases of misconduct, confidentiality breaches, fraud, misrepresentation, unauthorized use of company assets, or actions that negatively affect the organization's reputation. Also, [Avrup Technologies](#) reserves the right to revise or update these terms at any time if needed.

(Any changes to the official document shall become effective upon communication to the concerned employee.)
